

## **MAD SKILLZ LACROSSE CAMP**

### **Sponsored by Womenslax.com**

Mad Skillz Lacrosse Camps offers players a chance to learn the best lacrosse at a local destination. We focus on skills and shooting; Two very important things for every lacrosse player to improve. The goal is to master advanced and basic stickwork and learn how to apply it in game situations. We value having fun above anything else so the last day will be dedicated to competitions with prizes.
